

Delaware County Historical Society

SCHOOL PROGRAMS

The Delaware County Historical Society offers numerous programs for educators, students, seniors, and organizations. All programs are guided by Ohio Department of Education Social Studies learning standards and are written by current and retired educators. The programs below are organized by grade level. Grade levels are suggested based on academic content standards.

We now offer programs in-person 🧑, online 💻, or both 🧑 💻. All presenters are volunteers and so program scheduling is subject to volunteer availability. To schedule a live program please contact DJ Sanfillipo at: programs@delawareohiohistory.org

You will find additional program information online at: <https://delawareohiohistory.org/curriculum-support/>.

SUGGESTED FEES: A \$50.00 fee or donation for small groups of 50 people or less, and \$100.00 for larger groups. Fees are negotiable to enable all to attend. Scholarships may be available for some programs.
